Admission Prospectus for International Students

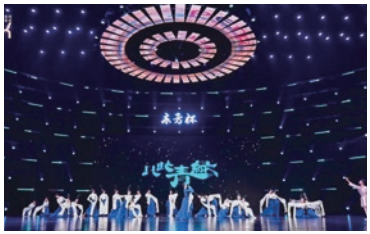

Hello, Qingdao

Qingdao, one of China's most beautiful coastal cities, is renowned for its red roofs, green trees, blue sea and azure sky. It is one of China's most livable cities and a celebrated coastal tourism destination and international exchange hub. As a major economic center and international shipping hub on China's eastern coast, Qingdao is also known for four distinctive city titles conferred by United Nations organizations: "**City of Music**," "**City of Dance**," "**City of Film**," and "**City of Beer**." International events held here every year, including the World Film Expo, Qingdao International Beer Festival and Qingdao International Sailing Week & Marine Sports Conference, give the city a vibrant international character.

Qingdao boasts abundant educational and scientific resources and is an important higher education hub in northern China. With numerous universities, well-developed cultural facilities and comprehensive urban amenities, the city provides an excellent environment for students to study and undertake internships.

Qingdao Vocational and Technical College of Hotel Management is a provincial-level public institution of full-time higher education approved by the Ministry of Education. It is located in the beautiful coastal city of Qingdao.

The College is China's first independently established vocational and technical college specializing in hotel management.

The College was among the first institutions selected for the national Double High-Level Plan for the development of high-level vocational schools and majors with distinctive Chinese characteristics. It received an "Excellent" rating in the plan's performance evaluation. The College is also among the first batch of distinctive-feature colleges in Shandong Province, the first batch of high-quality higher vocational institutions in the province, and the first batch of branded higher vocational colleges in Qingdao.

Industry-Education Integration

The College has forged strong strategic partnerships with leading Chinese and international companies, including Marriott, IHG, Hilton, Shangri-La, and Haier. Through these partnerships, the College and its industry partners have jointly developed and shared a network of high-quality internship and practical training facilities, significantly enhancing the quality of talent development, practical training conditions and graduate employment outcomes.

International Exchanges

The College admits international students from South Korea, France, Canada, Azerbaijan, Singapore, Thailand, Australia, Kazakhstan, and other countries, and regularly organizes cultural experience activities.
